

The Apostle John wrote "every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is that **spirit of antichrist...**" (1 John 4:3) I knew this meant that we had to confess that Jesus Christ became a human like us 2,000 years ago. But then I asked myself — is that really what this means? Even the devils confessed that very thing! I then embarked upon a study of the subject not realizing the truth was far more significant than I had imagined. I had no idea the spirit of antichrist had invaded every Christian denomination — including my own!
