"Find out the true knowledge of God, not only from the Spirit of Prophecy; but more importantly, from the Word of God, itself. And you will find the Truth, and the real Truth will set you free. You will not fear the loss of employment. You should not fear the loss of love of people. You should not fear the persecution. You should only fear if you lose heaven and miss the opportunity to fellowship with the one true God and his Son Jesus Christ... God already revealed himself plain, simple, concise, succinct, precise. What more can you ask for? It's all there. All you have to do is by faith - obey." ~ Mark Lastimoso
